

'Specialist' Wedding Musician

**'LIVE' music to make your
Special Day 'VERY SPECIAL'**

How do I help make your special day - special ?

I perform well known popular instrumental love Ballads (all well known chart hits) while your guests are arriving or waiting to be called to dinner or reception.

Many of your guests may be meeting for the first time, so watching and listening to my live music is a great 'ice breaker', and helps put everyone at ease.

What is different about my performance?

It is important the music is non intrusive, allowing your guests to have a conversation and enjoy each others company. I provide the added benefit of being a focal point for guests to watch and listen to.

With over 50 years experience, I am highly professional and my purpose is to help make your special day **'Very Special'**.

I play a professional Keyboard, your guests will enjoy the full Band sounds thereby adding more interest and enjoyment. I have often been likened to a great 'One Man Band' of which I am delighted ! In fact, it's not unusual for me to be asked to 'up the volume' by a host to better hear the music !

Typical wedding 90 minute performance

Well know romantic chart hits such as... *The Wedding, Lady in Red, Bridge over Troubled Water, Endless Love, The Power of Love, Have I told you lately that I love you, Everything I do - I do it for you, The air that I breath, Sometimes when we touch, I just called to say I love you, Angels, Flying without Wings, The Wind beneath my Wings, Tonight I Celebrate my Love, Can you feel the love tonight* - and more...
